10kHz-30MHz

150kHz-30MHz

10kHz-100MHz

Other:

5 μ H LISNs

150kHz-65MHz

150kHz-100MHz

150kHz-108MHz

150kHz-400MHz

10kHz-1GHz

150kHz-1GHz

Other:

Special Requirements – Additional costs may be added

Calibrate with customer supplied NEMA/SCHUKO adapter

Calibrate with and without NEMA adapter

Other:

Limited Calibration Approval: Customers may want a LISN calibrated to a standard it may not have been manufactured to meet. An older LISN may have been manufactured to meet a standard but may not meet the requirements outlined in the newest version. In cases like this, please pre-approve a Limited Calibration if applicable.

Yes

No

Call or email for approval on a limited calibration

Notes:

1. Please send a copy for each unit
2. If calibration standard or requirements are not listed, calibration will be performed to Liberty Labs default standard.
3. If calibration standard is customer's internal standard, a paper or electronic copy must be given to Liberty Labs.
4. All companies must complete and return our shipping waiver before units can be returned.
5. All information MUST be completed. If form is not completed and signed, calibration will be delayed.
6. A hardcopy purchase order or credit card info must be on file in order for calibration to be performed.
